Students who are dropped off early are subject to misbehavior and even worse, strangers having access to them. **Please help us to keep your child safe by not dropping off before the 8:10 bell rings to come into school each day.**

Bippo the Hippo Visits North Bay!

Bippo the Hippo and his friends from Pediatric Dental Specialists of Biloxi visited our K and 1st grade classes to teach them the importance of good dental hygiene. Our students learned that until they are 8 or 9, they need a grown-up's help brushing to be sure they are cleaning away all the "sugar bugs" and food particles that can cause decay. Thank you, Bippo, for such a fun, important lesson!

Parent Survey

Each year our district is required to do surveys of students, teachers, parents and administrators as a part of our Title I Funding. Please log on to www.biloxischools.net to see the link for the survey. We would like to have all of our North Bay parents to complete the survey. All of our students will take the survey at school during their computer lab time. Thank you!

Conscious Discipline Tip of the Week

S.T.A.R.

S.T.A.R. is an acronym for Smile, Take a deep breath, and Relax. When you take three deep breaths using deep belly breathing, you help turn off the stress response in the belly.
